WINE NOTES

Moon Mountain Vineyard can shape even our most prodigious Cabernet Sauvignon into a wine of poise and polish. A sun-drenched west-facing slope is the touchstone for explosive flavors suited to this wine's opulent style. Yet, like all Repris wines, balance is critical. Our vineyard's proximity to the Petaluma Gap and San Pablo Bay allows the fruit to benefit from nighttime cooling to retain acidity. These ocean influences are essential to maintaining the elegance that keeps this decadent Cabernet Sauvignon charming and composed.
