WINE NOTES

More than any other wine in our portfolio, this Cabernet Sauvignon captures the rustic Old World style of Moon Mountain Vineyard. Earthy and dense, it reveals the rich character of the heritage clones that flourish on these ancient volcanic hillsides. This wine also celebrates the topographical diversity found in this special place. Three distinct Cabernet Sauvignon blocks, separated by elevation and mountainous terrain, are showcased in this offering. The resulting wine is complex, elegant and balanced – a superlative reference point for the style of wine that defines Moon Mountain Vineyard.
